

# Halil Temurtas

## Curriculum Vitae

### Education

- 2014–2019 **BSc**, *Middle East Technical University, Ankara, CGPA – 3.07/4.00.*  
Electrics and Electronic Engineering, Control Option
- 2010–2014 **High School**, *Ankara Ataturk Anadolu Lisesi, Ankara, CGPA – 90.3/100.*

### Projects

- EE493-494 Opponent Chasing Robot inside Closed Contour with Varying Properties, Graduation Project
- EE414 Design of a Rail to Rail Temperature and Voltage Independent CMOS Operation Amplifier, 8<sup>th</sup> Semester Class Term Project
- EE498 Linear Quadratic Regulator Design for a Differential Drive Robot modelled in State Space using Inverse Kinematics Model, 8<sup>th</sup> Semester Class Term Project
- VLA (March 2018-Present) A Student Researcher at an Independent Research and Development Project for Development of Very Light Aircraft (VLA) by Middle East Technical University (METU) and Turkish Aircraft Industries Corporation (TAI)
- EE313 FMCW Based Distance Measuring System, 5<sup>th</sup> Semester Laboratory Term Project
- EE214 Flute Controlled Car, 4<sup>th</sup> Semester Laboratory Term Project
- EE213 Analog Air Conditioner System, 3<sup>rd</sup> Semester Laboratory Term Project

### Experience

#### Summer Practice

- 2018 **Summer Intern**, ASELSAN A.S., Ankara.  
20 days mandatory summer practice. Observed and participated on environmental test of products at HBT, ASELSAN and conducted research work on components
- Between July and August 2018

#### Intern Engineer

- 2018 **Intern Engineer**, TURKISH AIRCRAFT INDUSTRIES CORPORATION (TAI) , Ankara.  
One day per week engineering program from TAI for engineering students.
- Between March and May 2018

İlkadim Mahallesi Dayanisma Sokak – No:5/7 Dikmen/Cankaya/Ankara

## Summer Practice

2017 **Summer Intern**, TURKSAT UYDU HABERLESME KABLO TV VE ISLETME A.S., Ankara.

20 days mandatory summer practice. Worked on project management systems on a project about sun tracking solar panel system.

- Between July and August 2017

Detailed achievements:

- Raspberry Pi / Python
- Arduino
- Introduction to project management systems

## Computer skills

Basic PYTHON, VERILOG

Intermediate HTML , C

Advance GIT MATLAB ,  $\text{\LaTeX}$ , MICROSOFT OFFICE, MICROSOFT WINDOWS

## Languages

Turkish Mother-tongue

English Upper Intermediate

*Conversationally fluent*

German Basic (A1.2)

*Basic words and phrases only*

## Exams

YGS 2014 480,39/500

*(YGS-2) 490<sup>th</sup> out of 2.086.087 participant*

LYS 2014 524,83/560

*(Y-MF-4) 824<sup>th</sup> out of 410.578 participant*

YDS 2015/2 95/100

YDS 2018/3 87,5/100

METU EPE 87.5/100

*(June 2014), English Proficiency Exam done by METU*

METU EPE 78/100

*(December 2018), English Proficiency Exam done by METU*

ALES 2018 95,88/100

*(Quantitative) 154<sup>th</sup> out of 119.000 participant*

Spring

## Interests

Taekwon-do Green-Blue Belt

*Metu Taekwon-do Club*
